Student must earn a,"C" or better to receive credit for the course.

**Term:**

Fall 2022

**Format of Term:**

16 week

**End of Course Outcomes:**

Same as Math 1314

**Required Textbook**

Same as Math 1314, Same as Math 1314, Same as Math 1314, Same as Math 1314, , Pearson, Same as Math 1314, http://

**Learning Resources:**

Math Tutoring Lab: https://www.templejc.edu/resources/tutoring/

**Evaluation System:**

The instructor will provide their students with a more detailed schematic

**Course Schedule/Topics**

Same as Math 1314

**Marketable Skills**

·        Critical Thinking

·        Problem Solving

·        Analytical Thinking

·        Quantitative Reasoning

·        Time Management

·        Attention to Detail

**Class Policies**

Same as Math 1314
